

# Intralinks Deal Services

## Our competition does not come close

Working on a high-stakes, time-sensitive deal or project means that teams need to optimize time and resources. Evaluate your providers carefully and choose a partner that can provide value beyond your technology requirements. Intralinks now provides a range of Deal Services to address repetitive, labor-intensive tasks so your team can focus their expertise where it matters: successfully closing the M&A deal, capital markets transaction, fundraising or other strategic project.
